Industrial Infrastructure Credit Agreement

DATED: June 26, 2026

BETWEEN: Carthage Resources PLC (the "Borrower"), and **Asteroid Belt Mining Trust** (the "Lender").

ARTICLE I: DEVELOPMENT LOAN

Section 1.01. Credit Line. Lender agrees to provide **620,000,000 ECU** to fund high-pressure water extraction rigs, water-splitting infrastructure, and liquefied deuterium tanks near the Carthage Fractures.

ARTICLE II: ENVIRONMENTAL EXPENDITURES

Section 2.01. Planetary Remediation Allocations. Borrower covenants to fund an Environmental Remediation escrow of 500,000 ECU per gigaliter processed. These funds must remain restricted to cover environmental cleanup or thermal discharge corrections.
