Secured Credit Agreement

This SECURED CREDIT AGREEMENT (this **"Agreement"**) is entered into as of the **Effective Date** (as defined in Section 1.01 below) by and between **HEPHAESTUS LUNAR EXTRACTORS LLC**, a Copernicus Crater Free Zone limited liability company (the **"Borrower"**), and **ORBITAL DEVELOPMENT BANK (ODB)**, a multilateral financial institution (the **"Lender"**).

Article I: Definitions and Cross-References

Section 1.01. Defined Terms. As used in this Agreement, the following terms have the meanings specified below:

- **"Effective Date"**: The contract becomes legally binding on the date the last party signs this instrument, hereinafter explicitly identified as the **"Signature Date"** in the execution block at the end of this document.
- **"Collateral"**: Has the meaning specified in Section 3.01 of this Agreement.
- **"Minimum Pressurization Standard"**: The mandatory micro-atmospheric parameter defined in Section 3.02.
- **"Required DSCR"**: The target ratio of 1.25x as specified in Section 5.01.

Article II: The Credit Facility

Section 2.01. Commitment. Lender agrees to lend to Borrower a principal sum of **LC 150,000,000** (One Hundred Fifty Million Lunar Credits) subject to terms established herein.

Section 2.02. Interest. The Loan shall bear interest at the Earth-Lunar Transit Index Rate (ELTIR) plus 1.20% per annum, subject to adjustment terms detailed in the accompanying Operating Statement.

Article III: Collateral and Environmental Maintenance

Section 3.01. Grant of Security Interest (Collateral). To secure the Obligations, Borrower hereby grants to Lender a first-priority security interest in the Geothermal Tap Turbine #3 and associated regolith extraction fleets (collectively, the **"Collateral"**).

Section 3.02. Minimum Pressurization Standard. The Borrower shall maintain continuous atmospheric pressure (101.3 kPa, 21% O2, 79% N2) inside all human-habitable maintenance chambers. This operational metric is the **"Minimum Pressurization Standard"**.

Article IV: Financial Covenants

Section 5.01. Debt Service Coverage Ratio (DSCR). The Borrower covenants to maintain a DSCR of not less than 1.25x (the **"Required DSCR"**) at the close of each fiscal quarter.

Article V: Events of Default

Section 6.01. Environmental Default. Any failure to maintain the **"Minimum Pressurization Standard"** (defined in Section 3.02) for a continuous period exceeding seventy-two (72) Earth hours constitutes an immediate Event of Default under this Agreement, allowing full acceleration of the loan and seizure of the **"Collateral"** (defined in Section 3.01).

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the date written below.
