Acquisition Credit Deed

DATED: June 26, 2026

BETWEEN: Minos Vista Properties (the "Borrower"), and **Sol System Luxury Real Estate Trust** (the "Lender").

ARTICLE I: LOAN PROVISIONS

Section 1.01. Credit Limit. Lender provides **280,000,000 ECU** to fund high-strength diamondoid viewing galleries, guest villas, and associated radiation shielding structures facing the Jovian horizon.

ARTICLE II: SOLAR STORM RISK COVENANTS

Section 2.01. Magnetic Deflector Upkeep. Borrower covenants to preserve magnetic deflector fields at full operational status. Any failure in magnetic shielding that exposes guests to radiation levels above 50 millisieverts per standard year constitutes a default.
