Mezzanine Credit Facility

DATED: June 26, 2026

BETWEEN: Macula Hospitality Group (the "Borrower"), and **Ceres Craft & Leisure Fund** (the "Lender").

ARTICLE I: CREDIT STRUCTURE

Section 1.01. Credit Line. Mezzanine credit of **45,000,000 ECU** at GIBOR + 5.75% to fund specialized pressure-brewing equipment and tasting rooms inside the subterranean ice caverns.

ARTICLE II: BIOLOGICAL AND PURITY COVENANTS

Section 2.01. Yeast Mutation Management. Borrower shall verify that all methanogen-derived yeast strains are kept in vacuum-controlled bioreactors. Yeast contamination of native ice vectors is prohibited and constitutes a material default under the project parameters.
